

EPA-REQUIRED REFRIGERANT DOCUMENTATION FORM

Required Before Shipment of HFO, HFC, or HCFC Refrigerants

To comply with federal EPA regulations, we must receive one of the following documents before shipping any refrigerant. Without this documentation, we are prohibited from releasing your shipment.

PLEASE COMPLETE ONE OF THE SECTION BELOW AND RETURN THE SIGNED FORM TO US:

Section 1: For Wholesalers

By signing below, you affirm that you are acting as a refrigerant wholesaler.

Wholesaler Agreement:

I, the undersigned, certify that I am a wholesaler of refrigerants and agree to comply with all applicable EPA regulations regarding the sale and distribution of HFO, HFC, and HCFC refrigerants.

Name: _____ Resale License: _____ State: _____

Signature: _____ Date: _____

**** Required Documentation: Please include a copy of your Resale Certificate with this signed form.**

Section 2: For Certified Technicians

By signing below, you attest that you are a certified technician authorized to handle refrigerants.

Certified Technician Attestation:

I, the undersigned, certify that I am a certified technician and possess a valid license issued by an EPA-approved program, authorizing me to purchase and handle HFO, HFC, and HCFC refrigerants.

Name: _____ Certification Card No.: _____ State: _____

Signature: _____ Date: _____

**** Required Documentation: Please include a copy of your Certificate Technician's License with this signed form.**

*Please email the Completed and Signed Form with Required Documentation to
contact@texvacref.com*

Once we receive the necessary documentation, your refrigerant order will be shipped without delay.

**** Important Note:** *It is your responsibility to notify us immediately of any changes to your wholesaler status or technician certificate*
